## “Navigating the AS4000 Redraft: Key Considerations from Industry Power Users”

on

Thursday 16 May 2024

at

5:00 pm – 7:15pm

Pinsent Masons and the Society of Construction Law invite you to join us for a co-hosted panel session event in person in Sydney.

*AS4000 was born in 1997 which makes it (just) a millennial. And, just like the generation it aligns with, it's having a quarter-life 'moment' and beginning to re-imagining its future self. In this case in the form of a re-draft.*

*Join us and a distinguished panel of experts and power users of the form to discuss the current proposed changes and whether the amended form will respond to the current challenges in the industry.*

The panellists are:

- Owen Hayford (Principal, Infralegal)
- Meg Redwin (Executive Director & General Counsel, Multiplex Constructions)
- Ash Murtha (Senior Associate, Pinsent Masons)

With moderator:

- Louise Santos (Partner, Pinsent Masons)
